

Dear Scholarship Recipient,

Congratulations! We are so proud of you for receiving a band scholarship!! Please read the following note with your parents so you know exactly what to do now.

**1) Choose a private teacher from the list sent to you.**

In addition to the individual teachers on this list, we also highly recommend the lessons programs at:

King Music (Bradley) (<http://kingmusiconline.com>)

Naperville Music (<http://lessons.napervillemusic.com/>)

Learn to Make Music (Downers Grove) (<http://learntomakemusic.com/info.php>),

Please contact Mrs. Bontrager if you are having trouble finding a teacher.

**2) Schedule a series of lessons** with your chosen teacher at a time that works best for you. Most teachers are very flexible with their timing and can do mornings, afternoons, or evenings. Some teachers may have you participate in online lessons during this time. The \$100 scholarship will most-likely cover 4-5 lessons. We sincerely hope you will consider continuing the lessons even after these 4-5 lessons are over!

**3) Payment:** You pay for the lessons up front, and then have the Coal City Music Boosters reimburse you. You will need a receipt showing payment for lessons occurring between the award date and June 30th, 2022. A copy of the reimbursement form is attached to this packet. Please attach the form and paid receipt to an e-mail and send it to Mrs. Bontrager at [lbontrager@coalcityschools.org](mailto:lbontrager@coalcityschools.org).

We are so excited for you to have this opportunity! Please do not hesitate to ask us any questions. Have a great summer!

Lynnae Bontrager

Coal City Intermediate and Middle School Band Director
